There is something within the breast pulse is strengthened by most provoking of his labor, notwithstanding he is getting of every respectable male citizen which circumstances, the ridicule is involuntary fully one third more dollars for a week's causes him to shudder at the thought of reand overwhelming. We do not dispute the usefulness of the board. We know from personal investigation that its labors have been systematized so thoroughly as to could obtain then for fifteen; one dollar for trate the character of many of our drinkinsure their faithful execution. In times tea that was only fifty cents; fifty cents for ing-saloons. To prove this it is only necespast its services have been effective in preventing the spread of epidemics, and in preserving the health of the community by twenty for beef that was only fifteen; twelve liquor is sold and a drinking-saloon where the abolition of nuisances, and by precau- and a half for pork that used to be eight, liquor is drank. We instantly admit that tionary or preventive measures. This is and seven for codfish instead of four. If he the former is a respectable place, where as it should be. When we remember that the constituents of the board, so to speak, include not only the leading citizens of the country, with their families, and the officials of the General Government, but also him that the real estate owners and manu- is instantly condemned as an improper place the representatives of foreign Governments, for whose safety we are morally bound, it he is really mystified. If they pay the soning we find that, with the exception of will be conceded that the board is not without its share of responsibility. It is therefore a matter of congratulation that its or- His hard-money neighbor tells him it is opinion on the question of propriety. But ganization is so complete and its work so all the fault of the paper currency. The it is unfair to assume that even a majority effective. Its friends do not claim that it is important question for him to solve is how of the gentler sex are so directly interested all that it should be, however, for the sim- the matter can be remedied. ple reason that the laws under which it is Capitalists claim that they pay the taxes, organized are not so comprehensive as to give it authority to prevent the introduction of contagious or infectious diseases into the District, and to compel reports from physicians and others of vital statistics. Its authority to declare nuisances is unquestioned, and although the manner of their abatement is a question regarding which doubts proved real estate is about the only party as those who do not. exist, it is to be hoped that they will soon be removed. When these additional powers are conferred upon the board we shar have ao reason to complain. That they are required, no one can de ny after a moment reflection. The arguments to sustain the demand for them are plain and convincing. At present no power ex-

teen, and is no cheaper under a text of soveral malpractice, of murder, of suicide, or of an analpractice, of murder, or suicide to attend that analpractice, of murder at an analpractic at an anal the facts be made known to competent authority. The undertaker is called in and simply required to superintend the intersimply required to superintend the ment of the remains. It is within the knowledge of a number of our citizens that buriels have accounted in this work with the improvements the first year, but twenty in this way made the improvements the first year, but twenty in the improvements the improvements the first year, but twenty in the improvements the improvement the improvements the improvements the improvement the improvements the improvement the improvement the improvement the improvements the improvement burials have occurred in this way under most suspicious surroundings. But, an approximate the improvement of all, the paramount necessities are cited to illustrate the working of our system of taxation. They all this, however, is the fact which none show conclusively that the taxation of the show conclusively that the taxation of the can gainsay, that the women, in their praydeaths from attentions as to insure public. show conclusively that the taxation of the can gainsay, that the women, in their praying the board to become approach of the first appearance of cholest, smallpox or other epidemic disease. Being thus apprised it will be enabled to take precautions against the spread of the epidemic disease. See the horizontal tax payers and the only way in which this informal consumers for an account of the public, show conclusively that the taxation of the consumer, and, as a consequence, the the largest consumers lation of the law. They may rely with safety upon the forbearance of the public, in this violation, because, as we have said, the public sympathy is with them, and because of the public state of the pu and the only way in which this informs tion can be obtained soon enough to be of service is through the provisions of a law cequiring medical attendants to report fatal cases in their practice without delay. Again, the country, then, is responsible for the taxation by which the revenues are raised to support the Government and sustain the with the peaceful enjoyment of property, the registration of desens by competent authority is of great benefit as the foundation of testamentary evidence. Thronged, as schools. In this view of the matter the they render themselves liable for the damalmost constantly, with importance of consulting the interests of age that may occur as the result of their strangers, both from our own and foreign abor in the arrangement of the rates of acts. countries, many of the deaths which go to axation cannot be overrated. It also apmake up our mortuary list are those of unpears that if more revenue must be raised known people. Even the imperfect records hat the one article of consumption from now kept are called into requisition to furwhich it is largely derived, whose cost to vish this kind of evidence. The usefulness of such a record, not only as a valuable adjunct to the statistical history of the Dis-crict, but for the other reasons to which we

have alluded, requires no additional explanaion. There should be no delay in the pas-

sage of the necessary laws by Congress.

With this additional authority, and with

these additional privileges, we do not hesi-

tate to predict that the board will prove

THE NEW CRUSADE.

may be found necessary.

itself to be the most efficient organization We are beginning to disbelieve the old of the kind in the country, and establish iself, as it should be, as the model for other poards in our great cities. TAXATION AND LABOR. In remarking upon the necessary volume of currency to effect the exchanges of the that at first the ordinary understanding labor of the country, it has been insisted failed to appreciate the comprehensive force that the present volume was as great as was of the movement, and now we are threat consistent with the interests of labor. ened with its sudden development in ou While it may be said that the rates of wages midst. The object for which the move appreciate in sympathy with the necessa-ries of life, it is no less true that they fail to do so in equal proportion. There is a and law-abiding citizen. The horrible effallacious notion abroad regarding the ad- fects of intemperance, including innumer rantages to the laboring classes of those able crimes, poverty, and its attendant vices, sigher rates of wages which they obtain and a host of evils are depicted in the most low as compared with the rates paid before forcible terms in the ordinary experience With the exception of clothing, and observation of every day life. We gress either to repeal its law prohibiting polygarticles of subsistence are from know, too, that the sufferers by this great amy, or take some measures for its enforcement. It has certainly remained a dead-letter almost all articles of subsistence are from know, too, that the sufferers by this great iffy to one hundred and fifty per cent. scourge to humanity are not the victims aigher than they were in time of a gold themselves, but the poor, defenceless surrency. Labor has not advanced in any- women, and the children, so dear to a mothhing like the same proportion. But wages er's heart. It is not strange, therefor asve appreciated somewhat, while the sala-ies of the department clerks have re-to a condition of mind bordering on frenzy, hes of the department clerks have renained the same, except an occasional adand that long continued suffering by a few
that the Young Men's Christian Association of nained the same, except an occasional adlition of fifteen to twenty per cent. Rents
and all expenses of living have been greatly
appreciated, as before stated, while the pay
as remained stationary. All advances in
the cost of living are injurious to the laborer, unless his wages are advanced in
squal ratio. Wages are high or low according to the amount of subsistence they will
purchase. The appreciation of prices of
that the Young Men's Christian Association of
that city announced that she would deliver a
certain lecture in that city. When the time
came "she drove up to the church in a carriage and informed the gentlemen that she had
no such lecture as was advertised, and should
deliver the lecture 'Joan of Arc.' " The following evening she went to a small town in
Wisconsin and delivered the lecture which had
been advertised in Chicago. The case seems
to be made out.

purchase. The appreciation of prices of the means of living is unmistakable evidence of the depreciation of the currency. When a vender of high wines or alcohol places his merchandise upon the market its quantity is determined by its strength, as is the value of gold by its fineness. The value of currency is determined by its purchase of their value of currency is determined by its purchase per dollar of the staff of iff. If the manufacturer of spirits could offer. If the manufacturer of spirits could obtain the same price per gallon for low

proof goods as he can for standard proof, he could always realize a handsome profit as certain that if the women had not felt regardless of the market rate, because he could sell a large admixture of water as the embarked in this undertaking. In many respects their experience is an agreeable one, though their surroundings are the opayment of interest in gold on \$128,000,000 of his bonds he will be able to take up the paper. proof goods as he can for standard proof, guise for intuition, and it may be accepted compel them to accommodate the public in re- NEW ADVERTISEMENTS could sell a large admixture of water as the retailer does. But such an imposition will respects their experience is an agreeable one, though their surroundings are the opposite, because they are rewarded by a sense of self-gratification which is certain to follow an effort to do good unto others. But when success, however temporary, follows their efforts the sense of self-gratification becomes the perfect eestacy of en-joyment, and their enthusiasm is increased ten-fold. The improprieties, if such they may be called, of the proceedure are forgotten, and realizizing the efficacy of well di-rected moral influence, the women are apt

not only to justify but to exalt their acts. Referring to the propriety of this course, it must be admitted that a great diversity of opinion exists. Outside of the liquor-dealers themselves and the drinkers of liquor, the parties directly interested as the natural enemies of the women, the opinion prethe slightest hesitation or inquiry as to its vails very generally that the crusade is unwomanlike and improper. In truth, the manner of conducting it is condemned by the majority of our people, and is only upfemale members of your family engaged in even on the street. "the crusade?" the answer almost invariably is to the effect that "The object of the the week and thinks he makes high ized and cultivated mankind objects to the

wages than he received when we had a spectable, virtuous and Christian women gold currency. He does not reflect that coming in contact with rudeness, profanity he pays forty cents now for coffee that he and lecherous vice, which we know illushappens to complain of high prices he is ladies go every day without impropriety, plandly told by the merchant that taxes are while the latter, be it ever so respectable so high that things cannot be afforded any and so exclusively devoted to the patronage less. His newspaper the next morning tells of the better classes of gentlemen drinkers, facturers are the tax-payers, and altogether for them. If we admit this course of reataxes, why should he have to pay so much the moralists and fanatics to whom we have more for his goods than he did formerly? referred, the sexes are partially divided in as to become integral parts of the great "cyclone," as Mr. Beecher calls it. Those and upon this assumption demand to be who do become active participants are no heard by Congress in the arrangement of doubt prompted by the purest motives, althe tariffs and schedules for raising internal though, as we have explained, they may be revenue. As alcoholic District and Alexandria. The day was various exercises evinced upon the part of the people profound reverence and respect

We are beginning to dispensive the saying, "there is nothing new under the sun." The telegraph wires have brought to us, day by day, information of the proceedings of the temperance devotees in the West, the character of which is so novel that at first the ordinary understanding failed to appreciate the comprehensive force of the movement, and now we are threat
of the movement that the memorate that the threat threat the telegraph wires have brought that the memorate tracting Testh. Testh grave tracting Testh grave has heard of this season. It then proceeds to name the thirty-nine members of the Legislature who memorialize Congress, thirty-three of whom, it declares, are "living in lascivious co habitation, and daily violating the laws of the lygamists, but abstain from the perpetration of

the crime. Perhaps, it would be a good idea for Con upon the statute book, so far as Utah is con cerned, quite as long as is creditable to the nation or the Republican party.

THE gentle Anna Dickinson is set down by

his bonds he will be able to take up the paper of his construction company and 'make money planty' among the class of men with whom he operates. We westers to say his bill will not pass." The fribuse must not be too certain about it. Let us, however, watch and wait. His lobby is strong and determined. Who will have the courage to father the job?

PRING ARRANGEMENT

Ma. N. P. CHIPMAN, the vice president o the Point Lookout Railroad Company—a posi-tion which was conferred upon him as a mere fending the proposed grab of nearly the entire water front of the city. The point of his argu-ment is that because Tom Scott runs across three and twenty streets and four venues, the Point Lookout corporation should be granted equal privileges. This is entirely "too thin." AN EXCHANGE says that Charles A. Dana is

worth about one hundred thousand dollars per annum. The figure is ton high. The noto-rious black-mailer is, however, worth a conduced bar liquor that he could purchase the majority of our people, and is only upfirst proof by the barrel at one dollar per gallon, and never considers that he has just temperance people and the fanatical teetopaid at the rate of thirteen dollars per galcitizen, "How would you like to have the into their houses now refuse to recognize him

AN EXCHANGE wants somebody to device "movement is creditable, but I prefer that plan by which we shall have "better states-"movement is creditable, but I prefer that men," holding up to us Gladstone, Bright, "my female relatives would not join in it in Disraeli and others. GOOD NEWS!! *,

COFFEES DOWN!

COFFEES DOWN!

It may be seen by the New York commercial pa-pers of late date that COFFEES HAVE DE-CLINED, and as we have purchased and received new stock in this line since the decline it gives us great pleasure to offer our customers the same choice grades and varieties they have been getting of us at GREATLY REDUCED PRICES. The reduction is from THREE to FIVE CENTS per pound, or from SIX to TEN PER CENTUM. This is a fact worthy of note, and we intylte those interested to call and see for themselves.

WE ALSO CONTINUE TO SELL: SUGARS

(Standard New York Brands.) RUSHED LOAF.....

POWDERED...... 5½ lbs. for \$1 GRANULATED...... 5½ lbs. for \$2

TEAS.

IMPERIAL Fair... IMPERIAL Extra Fine OLONG, Extra Fine ENGLISH BREAKFAST, Chat GUNPOWDER ON

As will be seen by the above list our stock com-prises SEXTEEN different grades and varieties, of which we have a large supply now on hand, and our facilities for obtaining the same are such that we have no healtancy in asserting that we are able to compete fully with any house this side of New York.

SYRUPS. 's Diamond Drips, Silver Drips, Amber

Drips, Golden Syrup, &c., &c., &c. MOLASSES. choice article of genuine New Orleans, always on

hand, as also other lower grades. Prices low. FLOUR. WELCH'S BEST FAMILY, per sack 82.75

CHOICEST EXTRA, per sack, GOOD EXTRA, per sack SOAP. Phirteen different varieties of LAUNDRY, and a fine assortment of choice TOILET SUAPS, at low

SUNDRIES. SEEDLESS RAISINS...... 8 lbs. for \$1 We give our special and undivided attention to the FAMILY THADE, and make it our whole taily to furnish the very best of everything in the war of Family Supplies generally. Our facilities for buying and freighting are unsur-passed, and we guarantee to sell as low as any house this side of New York, as also to give the article-quality and quantity—as represented, or money re-funded.
